## CAREER HISTORY

### ONE FOR WOMEN

July 2018-present

Founder and Medical Director

**Key responsibilities:** Founder of Perth's first multi-disciplinary antenatal, postnatal and women's health clinic with a focus on affordable excellence. Bringing together GP Obstetricians, specialist Obstetricians and Gynaecologists, Midwives and Allied Health Professionals (including Lactation Consultants, Lactation Physicians, Dietitians, Diabetic Educators, Psychologists, Psychiatrists, Women's Health Physiotherapists and Child Health Nurses) into a single location, One for Women aims to deliver exceptional patient-focused, maternity care, and change the way health professionals approach the postnatal period (currently the 'silent' fourth trimester).

### CURTIN UNIVERSITY

June 2018-present

Associate Professor

**Key responsibilities:** Teaching Obstetrics and General Practice to medical students.

### ROYAL PERTH BENTLEY GROUP

Sept 2017-August 2018

Director Clinical Services

**Key responsibilities:** Clinical quality and risk and service development and improvement.

#### Key achievements:

1. Review of anaesthetic service and quality improvement activity
2. Improvement in Obstetric Anaesthetic service and significant improvement in response times for Emergency Caesarean Section
3. Review of theatre allocation and improvement in theatre utilisation and profitability
4. Review of after hours emergency response and improvement in clinical service delivery

**STUART PROSSER**  
**ANAESTHETICS**

Nov 2015-Present

**Key responsibilities:** Established own anaesthetic practice. First anaesthetist to develop a secure online pre-anaesthetic assessment form that supports clinical practice. Clinical performance evaluation is undertaken via an online survey. The establishment of the online support service led to a reduction in costs to 2% of the revenue generated.

**ST JOHN OF GOD**  
**HOSPITAL MT LAWLEY**

Nov 2015-April 2018  
Director of Medical Services

**Key responsibilities:** Medical staff recruitment and retention, quality improvement and strategic development.

**Key achievements:**

1. Developed a new scoring system for clinical incidents, leading to more objective measure of clinical performance.
2. Review and development of emergency protocols for anaesthetics and obstetrics.
3. Recruitment of 76 new VMO in first 24 months, with increase in theatre allocation to 85% capacity.
4. Review of service delivery model to reflect acuity of the hospital.
5. Established nurse led APS (Acute Pain Service) and AMS (Anti-microbial stewardship) models. The establishment of a nurse led MER team is well underway.
6. Development of Scope of Practice for each specialty, with a clear framework for application for increase in Scope of Practice

Director of Clinical Training

**Key responsibilities:** SJGMLH is a secondary placement site for Junior Medical Practitioners from both Royal Perth Hospital and St John of God Hospital. As Director of Clinical Training, I established clear training processes and developed a strong training culture at St John of God Mt Lawley.

**Key achievements:**

1. Achievement of unconditional PMCWA accreditation.
2. Marked increase in end of term satisfaction scores.
3. UWA letter of commendation for involvement in mentoring program.

**MEAD MEDICAL GROUP**

Nov 2008-Nov 2015  
Associate Owner/  
Procedural General  
Practitioner

Mead Medical Group is a large non-corporate General Practice in the Eastern suburbs. Over the period of ownership, the annual turnover of the group increased from \$4million annually to \$12.5million.

In the period I served as chairperson, I oversaw the relocation of the practice to a purpose-built, 15 consulting room, three procedural room and 10 bay nursing area, practice. During this time, significant organisational change occurred, with the creation of a non-clinical administrative structure and an increase in clinical governance as the practice expanded to 26 General Practitioners.

During this time, my clinical practice included procedural work (anaesthetics and obstetrics) at Bentley Health Service and Mercy/St John of God Mt Lawley.

**WAGPET**

Nov 2008-Jan 2010  
Medical Educator

Responsible for supervision of registrars, career guidance and training supervision. Involved in the development and implementation of procedural based workshops. Involved in assessment of registrars.

**RURAL CLINICAL SCHOOL WESTERN AUSTRALIA**

Feb 2007-Jan 2010  
Medical Coordinator  
(Narrogin)

Responsible for clinical teaching, curriculum development and assessment. Involved in administration and budgeting. Nominated for 2008 UWA Excellence in Teaching award

**EARL ST MEDICAL GROUP**

Jul 2006-Nov 2008  
Procedural General  
Practitioner

Hospital work included anaesthetic, obstetrics, general medical ward and emergency department. Was involved in the MAC. Key achievement during this tenure were the establishment of obstetric protocols and procedures.

**JOONDALUP HEALTH CAMPUS**

Jul 2005-Jun 2006  
Anaesthetic Registrar

Anaesthetic training post. Exposure to general surgery, orthopaedics, paediatric anaesthetics and obstetrics and gynaecology.

**EARL ST MEDICAL GROUP**

Jan 2005-Jul 2005  
General Practice  
Registrar

Basic term rotation in general practice.

**ROYAL PERTH  
HOSPITAL, KING  
EDWARD HOSPITAL,  
PRINCESS MARGARET  
HOSPITAL**

Jan 2000-Dec 2004  
Intern, RMO and  
Registrar

Rotation included Emergency Department service registrar, Obstetric service registrar and Cardiology service registrar. Was involved in clinical teaching and supervision of junior medical staff.

---

## COMMITTEE MEMBERSHIP

**JOINT CONSULTATIVE  
COMMITTEE OF  
ANAESTHETICS**

2013-2019

Served as Chairman of the JCCA. The JCCA is responsible for overseeing the training and ongoing educational of rural General Practice Anaesthetics. As Chairman, I oversaw the increase in CPD requirements for GP anaesthetists, including articulation of this change to credentialing bodies Australia-wide. I was also involved in the review of the examination process and the development of the Diploma in Anaesthetics.

**PREVIOUSLY**

Mercy/St John of God Mt Lawley Medical Advisory Committee  
2011-2015: General Practice Representative

Bentley Medical Advisory Committee  
2013-2017: General Practice Representative
